

"What a wonderful world it could be." Every Precinct in America can become a "Coalition" of citizens with a talent for Democracy, freedom & justice for all. In 2020, over 4 million American Precincts can directly elect their Representatives; construct the "Committees" of "Issue Engagement". Precincts are the "foundation geography" & functional elements of the "American Recovery Agenda". We all can be messengers. What will you share? Look 4 evidence. Monthly Precinct meetings? "We can do this"

Welcome Brittany Gaetner (571) 535-9304. She is the contact for Region 7 of the Florida Dem Party. (Alachua County is included). There are several counties that need help building a Democratic Executive Committee. Who you gonna call? Good on you.

Michael Bloomberg is pledging 500 million \$ to ten target states (including Fla). Money to elect policy makers & fund citizen actions to reduce coal-fired power plants & move to "clean energy" programs. His web site: (beyondcarbon.org) He produced a film: "Paris to Pittsburgh" (@ 90 min) (access: Hotstar.com) Organize a "watch party" (make plans & do good things) "Get comfortable in your own skin." You be woke?

Local Event: Save the date: Thursday, August 8, 2019, 10am to 2pm, Thelma Bolton Center (Gainesville). "Climate Crisis: An Intergenerational Discussion". Identify local impacts. Discover what local groups are doing now. Consider what you can do. Contact: NAACPECJCGNV @ gmail.com (for details & ideas) also: (352) 372-0216.

"Constituent/Citizen" recommendations for Gainesville Charter Review Process: Go to CityofGainesville.org (Click on Agenda & Minutes for access details)

- A. Every candidate for Gainesville elective office must live in the proper District.**
- B. Every Gainesville registered voter can vote for all Gainesville elective candidates.**
- C. (your best ideas here) (as a Precinct Rep. "deep listen" to your "people". Smile.**

We are fortunate to have many wonderful Presidential Candidates. Is there a local "Hub" for each of them? Please let your "Reporter" know. Organize. It helps. Mayor Pete suggested that American farmers who practice "Regenerative Agriculture" could chemically sequester in their soil "all the carbon exhaust of the worlds' motor vehicles." (Let's explore those details with our Land Grant Universities) Go Science. Andrew Yang has an intriguing policy to stimulate the U.S. economy: "Give every citizen \$1,000 per month." Will that be helpful? Why? Why not? The Mayor of New York just signed a Bill requiring all Presidential candidates to reveal their taxes. 14 U.S. states have Democratic Party control of the Governor, Senate, & House. So. Elizabeth Warren has specific detailed plans for many of the "big" agenda items. OK

Democracy is beautiful when it is on display. You are the person you've been waiting for. Run for something (the name of a national organization). She the People (another progressive group). For 100 solutions to deal with "climate choices" visit Drawdown.org/solutions "What a wonderful world it could be." "Let's roll."
